Hat: Autumn Red

Everything else will be done in class

#### Hat:

Shade with float of Deep Midnight Blue

Highlight with Autumn Red + Titanium White ( or Neon Red )

Add Lamp Black checks to Brim of hat.

#### Face:

Shade cheeks above the mustache with Antique Rose

Base in his nose with Medium Flesh – then shade lower portion of nose with Antique Rose

Fill in eyes with Titanium White

Base pupil and line the eye with Lamp Black – add eyelashes if desired

Float highlight of Titanium White top section of nose – bottom of pupils

Add Eyebrows, highlight dots on eyes, and shine dash on top of nose with a liner brush and Titanium White.

#### Mustache:

Place line drawing of mustache – basecoat with Light Buttermilk

#### Beard:

Using a round brush to fit your surface and Titanium White, start at the bottom of the beard and stroke each section of the beard, one at a time. Load for every stroke for a more uniform look.

Finishing, with a small round and Titanium White add little wisps of hair around the brim of the hat.
